Kathy,

Attached is the revised PWS based on Ginny's comments. There are still some placeholders in it for dates.

Ginny asks that you and Mike sign the QARF and submit that along with the final revised PWS for her signature.

Thanks,  
Chris

Hey Ginny,

## Ex. 5 Deliberative Process (DP)

Do you have a projection as to when the PWS review will be complete?

Thanks

Chris—the form I provided is the one we use for WAs, TOs, DOs. It is obviously adapted from the one generally in use for WAs. This is for QA and addresses the same questions for all WAs, TO, DOs.

## Ex. 5 Deliberative Process (DP)

We can discuss this by phone tomorrow if you have any questions. I'm teleworking.

Hi Chris—I'm looking over your Outreach comment PWS and QA package. I wanted to get back to you so you can begin work to revise the package. So, first, I need you to use a different QARF. I'm attaching it. **Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)**

That will take me longer to work through, so I'm sending the QARF ahead. I'm teleworking today and tomorrow. You can reach me by email or phone.

Ginny,

Per our discussion, I'm sending you the attached draft PWS for your QA/QC review.

Our Federal Register Notice for the ESA interpretation is pending and likely to be released in March. We are a bit behind the 8-ball in that we should have Task Order in place for the webinars occurring during the PNC period. We are being told that the Task Order will likely take 60 days to process after we provide CAD a complete package.

Your expedited review is appreciated.

Thanks!  
Chris
